PROPERTY OVERVIEW

The Offering: AFM Real Estate is pleased to announce the exclusive offering of Horse Creek North located along highway 149 south of McRae, Georgia. The property consists of ±247 contiguous acres of fertile soils with extensively managed pine and mature hardwoods. Horse Creek North is located in a unique, highly desirable area of southeast Georgia known for its recreational appeal and timber production. The property is private and secluded and surrounded by farms, timberland, and recreation properties. Farm, Timber, Recreation and Wildlife: Horse Creek North's location is highly desirable for recreation as the area is known for trophy deer, upland game birds, and duck habitat. The property has ideal bedding habitat areas and forage for all types of wild game. Over 4000 feet of frontage along...
