PROPERTY OVERVIEW

The Palmer Forest is a tract of mature pines and hardwoods located just an hour East of Houston. This property has great wildlife habitat and is perfect for the weekend warrior! At the end of the road, it is unlikely anyone will bother you here. Bring your 4 wheelers and a taste for fun, this tract is going to be muddy. Good oil field road into the tract. This close to Houston and the makings of some terrific deer hunting, you would be foolish to keep paying for a hunting lease. Buy now so can have it ready for next season.
